Horseback Riding Expeditions

Avellano Valley Horseback Ride

*The weather is famous in Patagonia. You might experience 4-seasons in one day, including high winds to extreme sun down to chilling cold. The secret in Patagonia is to dress in layers; obtain the maximum comfort with minimum weight. It is important to use wind resistant clothing made from materials which also dry fast which is why we recommend **not** using cotton since it does not dry as quickly as synthetic materials made for active outdoor adventures. **If you are thinking of buying new riding boots, make sure to wear them beforehand. We recommend bringing a skin lubricant such as "Body Glide®" which can help with chafing and saddle sores.***
