

Patagonia Pack List

Rincon Bonito

*The weather is famous in Patagonia. You might experience 4-seasons in one day, including high winds to extreme sun down to chilling cold. The secret in Patagonia is to dress in layers; obtain the maximum comfort with minimum weight. It is important to use wind resistant clothing made from materials which also dry fast which is why we recommend **not** using cotton since it does not dry as quickly as synthetic materials made for active outdoor adventures. If you are thinking of buying new shoes, make sure to wear them beforehand.*
